EDUCATION

Universidad de la Sabana <i>Doctorate in Logistics and Supply Chain Management</i>	Chía, Colombia	Expected 2024
MITx Micromasters <i>Micromaster in Supply Chain Management</i>	Online	2021
MIT Global SCALE Network <i>Graduate Certificate in Logistics and Supply Chain Management</i>	Cambridge, United States of America	2019
Universidad Privada Boliviana <i>Master in Business Administration, minor in finance</i>	Cochabamba, Bolivia	2012
Bournemouth University <i>Master in Product Design Management</i>	Bournemouth, United Kingdom	2011
Universidad Privada Boliviana <i>Industrial and Systems Engineering</i>	Cochabamba, Bolivia	2009

EXPERIENCE

Universidad Privada Boliviana Researcher/ Lecturer <ul style="list-style-type: none">Director of the Research Center for Logistics Operations.Leader of the research initiatives for Logistics and Supply Chain Management for the UPB within the MIT Scale Network for Latin America.Developing research regarding active learning methodologies for the discipline of logistics and supply chain management.Lecturer in the disciplines of Logistics, Research methods, Data analysis, and Production management.	Cochabamba, Bolivia	2020 - present
Universidad Privada Boliviana Career director (Industrial and systems engineering). <ul style="list-style-type: none">Led to the successful signature of an interinstitutional contract among the UPB and the Centro Latinoamericano de Innovación en Logística (CLI) to develop and promote research plans and activities within the MIT Scale Center for Latin America.Developed and implemented the Challenge Based Learning methodology in the university, in an alliance with the Industrial and Systems Department of the Tecnológico de Monterrey.Headed the development of the first dedicated simulation laboratory for the career center.Led the design of strategies to introduce undergraduate IIS students into research programs.	Cochabamba, Bolivia	2016- 2019
CATEC University Lecturer <ul style="list-style-type: none">Instructed subjects oriented to production management and managerial information systems.Served as a mentor and second revisor in several dissertation theses.	Cochabamba, Bolivia	2014- 2016
Dieselrio, Spare Parts Distributor Commercial manager <ul style="list-style-type: none">Successfully implemented an integral information system for process control, reducing significantly the time dedicated to control operations.Improved the performance of the concessionaire in external evaluations of suppliers by 30%.Reduced price calculation errors by approximately 25%. Furthermore, developed an exhaustive price study to adjust and improve the company item rotation.Managed and supervised the whole supply chain, from suppliers to customers.	Cochabamba, Bolivia	2011- 2016
Maya Mac Lean, Furniture Design and Manufacturing Project developer <ul style="list-style-type: none">Designed a pre-feasibility project for a new production plant.Conducted a viability analysis regarding the implementation of the process of wood drying.Administrated tools to improve the traceability of the design and production orders. The communication among design and production plants improved meaningfully with the execution.	Cochabamba, Bolivia	2011
Cablebol, Cable Manufacturer Foreign trade assistant <ul style="list-style-type: none">Provided administrative support on the procurement of new suppliers.	Cochabamba, Bolivia	2010- 2011

AFFILIATIONS

POMS: Vice president of Meetings 2023-2024. Member since 2023.

IISE: Member since 2022.

IEEE: Member of IEEE Education Society since 2024.

EXPERIENCE IN HIGHER EDUCATION

Undergraduate

Faculty of Engineering and Architecture, Universidad Privada Boliviana, Bolivia

Total Quality Control, Production Engineering II, Industrial and Administrative Systems, Research Methods and Techniques, Graduation Project I, Integral Logistics.

Catec University, Bolivia

Production Management, Management Information Systems

Postgraduate

Universidad Privada Boliviana, Bolivia

Diploma in Distribution Management: New Trends in Distribution

Diploma in Supply Chain Management: Suppliers' Evaluation and Agreement

Diploma in Project Management and Management According to PMI: Planning, Programming and Control of Industrial Processes

Master in Productivity and Quality: Planning, Programming and Control of Industrial Processes

Master in Business Administration and Management in Telecommunications: Supplier and Supply Chain Management

Universidad Mayor de San Simón, Bolivia

Diploma in Integral Logistics and Supply Chain Management: Production Planning and Logistics

Massachusetts Institute of Technology

Graduate Certificate in Logistics and Supply Chain Management: GCx Teaching Assistant: Statistical Testing, Projections and S&Op.

Micromasters in Supply Chain Management: Teaching Assistant Module SC0x (2018).
